Traveling north on U.S. 23 North, take the State Route 309 exit for Marion. You will exit to the right, and at the STOP sign at the end of the exit ramp, turn left (west) onto S.R. 309 (S.R. 309 is Harding Highway East). Cross under U.S. 23; Harding High School is almost immediately on your right (north side of road). Take the first school driveway on the right (which is east of the school building; there is a traffic light there; and a Speedway gas station on the left). Simply follow the driveway back, veering to the right; the field is on the right. There is ample paved parking. Call Jeff McGuire at 614-975-6763 if anything further is needed.
